A S T R A BEDDING

Hakkımızda

About Us

Astra Bedding, 3.000 metrekarelik modern üretim tesisinde baza, başlık ve yatak üretimi gerçekleştiren yenilikçi bir markadır. Kalite, konfor ve müşteri memnuniyetini ön planda tutan üretim anlayışımız, uluslararası standartlarla uyumlu ileri teknoloji süreçleriyle desteklenmektedir.

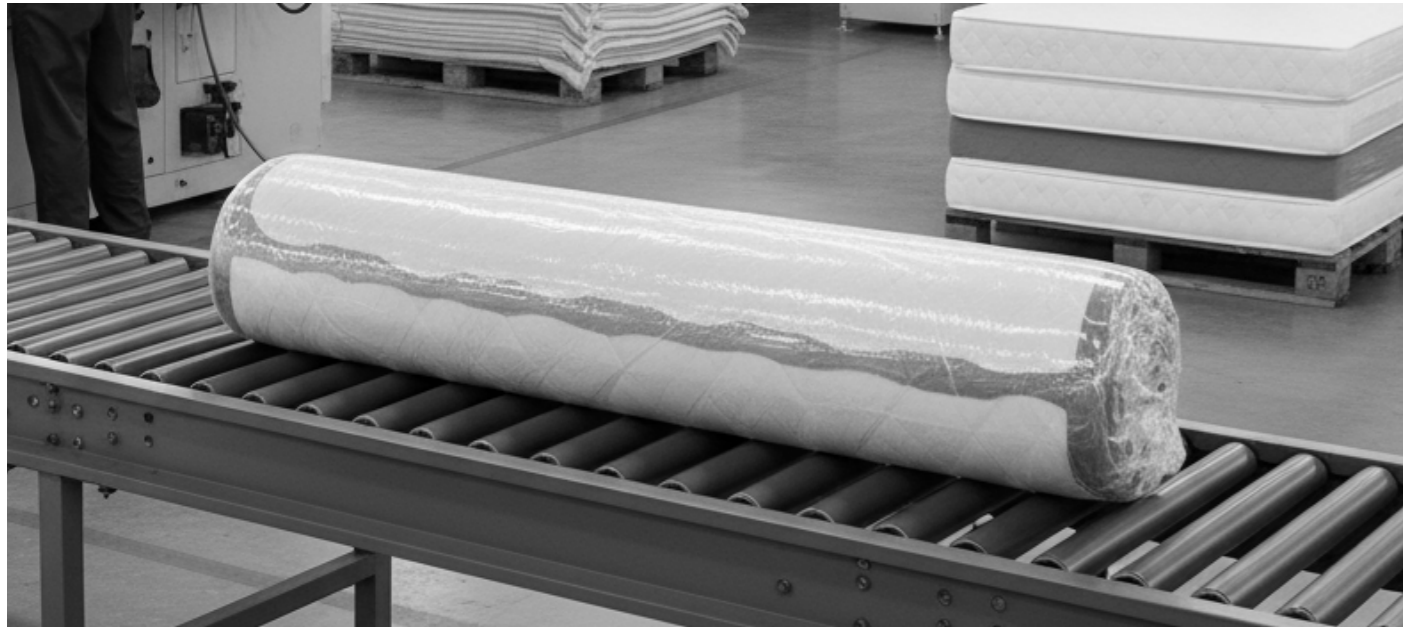

Geniş ürün yelpazemiz, farklı yaşam tarzlarına ve ihtiyaçlara hitap edecek şekilde tasarlanmakta, estetikle işlevselliği buluşturmaktadır. Üretimden lojistiğe kadar tüm süreçlerde titizlikle çalışarak, güvenilir ve uzun ömürlü çözümler sunmaktayız.

Astra Bedding, Avrupa, Amerika, Asya, Afrika ve Orta Doğu'ya gerçekleştirdiği ihracat faaliyetleriyle, global ölçekte tercih edilen bir markadır. Vizyonumuz; uluslararası pazarda kalitesiyle öne çıkan, müşteri memnuniyetini esas alan ve sektöründe yenilikçi çözümler sunan bir marka olmaktır.

Astra Bedding is an innovative brand specializing in the production of bed bases, headboards, and mattresses within its 3,000 m² modern manufacturing facility. Our production philosophy prioritizes quality, comfort, and durability, supported by advanced technology processes that comply with international standards.

Our wide product range is designed to meet diverse lifestyles and needs, combining aesthetics with functionality. From production to logistics, every stage is handled with precision to deliver reliable and long-lasting solutions.

Through our export operations to Europe, Asia, Africa, and the Middle East, Astra Bedding is steadily advancing towards becoming a globally recognized and preferred brand. Our vision is to stand out in international markets with superior quality, ensure customer satisfaction, and provide innovative solutions within the bedding industry.

HARMONY NIGHTSTAND

Size: 40x65 cm

The Harmony nightstand, with its simple lines, creates a peaceful atmosphere in your bedroom. Its modern design complements any style, offering a timeless elegance. Its smooth transitions add a sense of serenity to the space.

Large Capacity

Its spacious drawers allow you to store your personal belongings neatly. Its compact dimensions make it both practical and space-saving. Its upper surface offers an ideal space for books, lampshades, or decorative objects.

STYLE NIGHTSTAND

Size: 40x50 cm

The Style nightstand takes its name from its style. With its sleek surface texture and elegant details, it's a modern addition that transforms the atmosphere of your bedroom. Its aesthetic simplicity adds a modern touch to any space.

Large Volume

It offers both a functional and aesthetic solution with its ideal drawer volume. Its compact size makes it a perfect fit for various headboards. Its large surface creates extra comfort for daily use.

TOKYO NIGHTSTAND

Size: 40x50 cm

The Tokyo nightstand draws inspiration from minimal Japanese aesthetics. It combines natural textures with modern lines for a simple yet characterful look. Its elegant form creates a sense of spaciousness and order in any space.

High Volume

Its two spacious drawers keep all the essentials you need for your nightly routine close at hand. Its balanced form offers functional use even in small spaces. Its flat surface provides a practical base for decorative use.

TREND NIGHTSTAND

Size: 40x60 cm

This trendy nightstand combines contemporary design with functionality. Its eye-catching surface details capture the eye and complement the character of modern bedrooms. Its dynamic form adds an energetic touch to your living space.

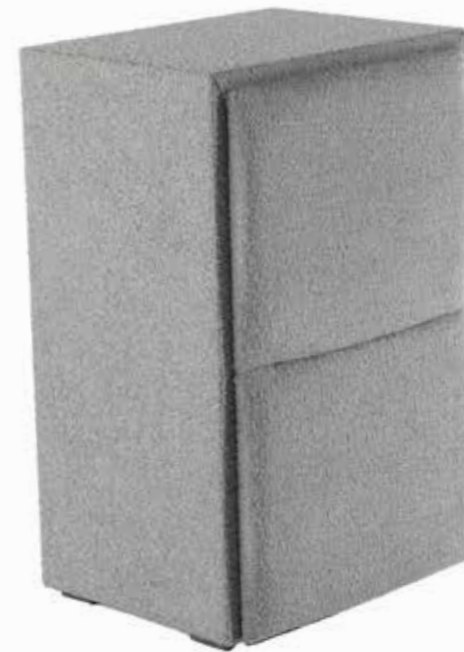

Large Storage Area

Its convenient drawer depths allow you to keep your personal belongings organized. The nightstand's volume is designed to offer ample storage space without compromising aesthetic appeal. The top provides a stable surface for decorative objects.

COMFY NIGHTSTAND

Size: 40x65 cm

The Comfy nightstand boasts a comfortable design that lives up to its name. Its soft lines, simple surface texture, and elegant details create a peaceful atmosphere in your bedroom.

Large Storage

Its convenient drawer structure allows you to store your personal belongings neatly. Its compact dimensions make it ideal for use even in tight spaces, while its top surface provides practical storage for books, lampshades, or accessories. Its balanced form ensures long-term durability.

2 DRAWER NIGHTSTAND

Size: 45x55 cm

This two-drawer nightstand, with its simple and functional design, fits perfectly into any bedroom. Its compact form brings balance to modern and minimalist spaces. Its lightweight appearance creates a spacious atmosphere.

High Capacity

Its two spacious drawers allow you to store your essentials neatly. It's ideal for small spaces, and the top section offers a practical space for decorative objects or a night light.

KAPITONE NIGHTSTAND

Size: 40x65 cm

This quilted nightstand blends classic elegance with modern lines. Its soft-touch surface adds a luxurious atmosphere to any space. Its stitching details add a touch of craftsmanship to the design.

Large Storage

With three spacious drawers, you can neatly store your clothes, accessories, and personal belongings. Its voluminous structure provides extra storage without sacrificing its elegant appearance. Its worktop is wide enough for everyday use.

3 DRAWER NIGHTSTAND

Size: 45x65 cm

This three-drawer nightstand, with its practical structure and simple design, is a classic addition. Every detail emphasizes functionality and organization. It blends easily into both modern and traditional bedrooms.

Large Storage

It offers ample storage with its three drawers, helping you organize your personal belongings by categorizing them. Its balanced structure ensures long-lasting use. Its worktop is the ideal size for daily needs.

COOL ACTIVE PILLOW

No matter how high your body temperature rises, Cool Active technology instantly activates, dissipating excess heat, balancing humidity, and keeping you at your ideal sleeping temperature.

Size: 60cm X 40cm X 15cm

- Cooling properties
- Environmentally friendly product.
- Creates a comfortable sleeping environment by maximizing sleep quality.

Refreshing Comfort Feature

This intelligent cooling technology quickly soothes not only your body but also your mind. You'll feel a silky coolness with every touch, maximizing your comfort. You'll sleep soundly throughout the night and wake up feeling refreshed and energized in the morning, as if reborn.

AIR COMFORT PILLOW

How about a pillow that will make you feel like you're on the clouds as soon as you put your head on the pillow after a busy day?

Size: 59cm X 39cm X 15cm

- Its soft touch gently embraces the head and neck.
- Washable cover that maintains its flexibility.

Air Permeable Structure

Your pillow gently cradles your head, supports your neck exactly where it needs it, and thanks to its breathable structure, helps you fall asleep quickly, leaving your shoulders relaxed and leaving all the weight of the day behind.

MEDITATION PILLOW

This neck support pillow offers two supportive heights to naturally align your head, neck, and shoulders.

Size: 51cm X 41cm X 13cm

- Eliminates static electricity
- Wake up refreshed
- Relaxes the mind
- Refreshes

Discharges Static Electricity

With the Meditation pillow, you can sleep comfortably and start your day more refreshed and free of negative energy. With meditation technology, sleep is no longer just sleep; it's a true rejuvenation for your body and soul!

THERMOSWITCH PILLOW

Thermo Switch fabric combines liquid crystal technology with a specially designed fabric structure to dynamically manage body temperature.

Size: 60cm X 40cm X 15cm

- Instantly monitor body temperature.
- Enjoy a breathable and thermally balanced sleeping surface.
- Antibacterial properties for hygiene.

Body Temperature Control

This revolutionary material reacts to your body temperature, causing warmer zones to appear on the surface. Simultaneously, it effectively dissipates excess heat, providing a cooler and more comfortable sleep environment.

DUVET

Its soft texture provides a comfortable and warm sleep environment, while its silicone fiber filling provides a light and soft sleeping environment.

Its antibacterial and anti-allergic properties ensure safe use.

Its high-tech hygroscopic properties absorb excess moisture and adapt to your body temperature, ensuring a comfortable sleep.

SILICONIZED FIBER PILLOW

Its lightweight and breathable structure, thanks to its 30% silicone and 70% fiber filling material, ensures comfort even during extended use. The 100% cotton outer material enhances durability and offers a soft touch. Its reversible design provides flexibility and comfort to suit different needs.

Weight: 850 gr
Size: 50x70

UNDERSHEET

It is impermeable to all liquids, stain-resistant, and prevents unpleasant odors.

It is a premium, soft terry cloth.

The back surface is laminated with a protective PU membrane.

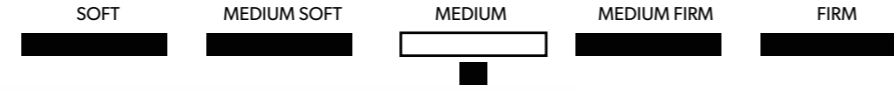

It is breathable thanks to its micropores.

With elastic edges, it completely hugs the mattress, is non-slip, elastic, and wrinkle-resistant.

FOLDING BED

Designed for practicality and comfort, this folding bed features 4 wheels for easy mobility. Its lightweight structure and compact design make it effortless to move, store, and set up—perfect for guest rooms, hotels, or limited spaces.
